## CONSENT FORM

### The Teeth Team Tooth Brushing and Fluoride Varnish Programme

#### Dear Parent/Carer

Your child's school is taking part in the Teeth Team Programme which aims to improve the dental health of local children.

We will provide a dentist/therapist to come into your child's school annually to check the children's teeth and apply fluoride varnish every six months. This dental assessment will not replace your child's usual check-up and you will be informed if your child needs to see your usual dentist before your next scheduled appointment.

Please would you sign the consent forms overleaf and return it to your child's school so that your child can be included in the dental health programme.

Yours sincerely

Chris Groombridge  
Director, Teeth Team Limited
