Address:		
Name:	Telephone No:	Relationship to child:
Address:		

The 1989 Children act states that schools must treat all parents equally, even if they are no longer living together. We have to send reports to all parents and invite them to open evenings unless there is a court order which prevents this. As a result we have to keep a record of those parents no longer living at the home address. Could you please report such details below .
