

PE and Sport Premium Policy

Introduction

The legacy of the London Olympics 2012 saw the introduction of the Primary School PE and Sport Funding which is focused on securing additional and sustainable improvements in the provision of PE and sport for the benefit of all pupils and to encourage the development of healthy, active lifestyles.

Rationale

All young people should have the opportunity to live healthy and active lives. A positive experience of sport and physical activity at a young age can build a lifetime habit of participation, and is central to meeting the government's ambitions for a world-class education system.

Physical activity has numerous benefits for children and young people's physical health, as well as their mental wellbeing (increasing self-esteem and emotional wellbeing and lowering anxiety and depression), and children who are physically active are happier, more resilient and more trusting of their peers. Ensuring that pupils have access to sufficient daily activity can also have wider benefits for pupils and schools, improving behaviour as well as enhancing academic achievement.

The government is committed to ensuring that children and young people have access to at least 60 minutes of sport and physical activity per day, with a recommendation of 30 minutes of this delivered during the school day.

Eligibility and funding

Funding is paid to academies in two instalments usually in November and May and is based on the number of pupils in Years 1-6 in January census.

How to use the PE and Sport Funding Premium

School leaders know their schools best and so they have the flexibility to use the PE and Sport Funding Premium in the way that works best for their pupils as long as this provision **is additional and sustainable**. As such, schools should use the funding to:

- Develop or add to the PE, physical activity and sport that is currently provided
- Build capacity and capability with the school to ensure that improvements made now will benefit pupils joining the school in future years.

Schools should use the PE and Sport Premium funding to secure improvements in the following 5 priority areas:

1 Engagement of all pupils in regular physical activity, for example by:

- providing targeted activities or support to involve and encourage the least active children
- encouraging active play during break times and lunchtimes

- establishing, extending or funding attendance of school sport clubs and activities and holiday clubs, or broadening the variety offered
- adopting an *active mile initiative
- raising attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2. Every child should leave primary school able to swim

2 Profile of PE and sport is raised across the school as a tool for whole school improvement, for example by:

- encouraging pupils to take on leadership or volunteer roles that support sport and physical activity within the school (such as 'sport leader' or peer-mentoring schemes)
- embedding physical activity into the school day through active travel to and from school, active break times and active lessons and teaching

3 Increased confidence, knowledge and skills of all staff in teaching PE and sport, for example by:

- providing staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively to all pupils, and embed physical activity across your school
- hiring qualified sports coaches **to work alongside teachers** to enhance or extend current opportunities

4 Broader experience of a range of sports and activities offered to all pupils, for example by:

- introducing new sports and physical activities (such as dance, yoga or fitness sessions) to encourage more pupils to take up sport and physical activities
- partnering with other schools to run sport activities and clubs
- providing more (or broadening the variety of) extra-curricular activities after school in the 3 to 6pm window, delivered by the school or other local sport organisations

5 Increased participation in competitive sport, for example by:

- increasing pupils' participation in the School Games initiative
- organising, coordinating or entering more sport competitions or tournaments within the school or across the local area, including those run by sporting organisations.

Raising attainment in Primary School Swimming

Swimming is a national curriculum requirement and by the end of key stage, 2 pupils are expected to be able to swim confidently and know how to be safe in and around water.

The 3 national curriculum requirements for swimming and water safety are to:

- swim competently, confidently and proficiently over a distance of at least 25m
- perform a safe self-rescue in different water based situations
- use a range of strokes effectively
- The premium can be used to fund the professional development and training that is available to schools to train staff to support high quality swimming and water safety lessons for their pupils.
- The premium may also be used to provide additional top-up swimming lessons to pupils who have not been able to meet the 3 national curriculum requirements for swimming and water safety - after the delivery of core swimming and water safety lessons.

Accountability and Responsibilities

Schools are accountable for the use of their PE and Sport Premium funding and are expected to spend it for the purpose it was provided only.

Online reporting

Schools must publish details of how they spent their PE and Sport Premium funding by the end of the summer term, or by 31 July, of each academic year at the latest. Online reporting must include:

- the amount of premium received
- a full breakdown of how it has been spent
- the impact the school has seen on pupils' PE, physical activity, and sport
- participation and attainment
- how the improvements will be sustainable in the future

Schools are also required to publish the percentage of pupils within their year 6 cohort in the current academic year who met the national curriculum requirement to:

- swim competently, confidently and proficiently over a distance of at least 25m
- use a range of strokes effectively
- perform safe self-rescue in different water-based situations

Trustees are responsible for:

- Holding Trust leaders to account in order to ensure the PE and Sport Premium funding Grant:
 - Develops or adds to the PE, physical activity and sport that is currently provided
 - Builds capacity and capability within the schools to ensure that improvements made now will benefit pupils joining the school in future years.

The CEO and Deputy CEO are responsible for:

- Monitoring the allocation, implementation and impact of PE and Sport Premium spending for all schools;

Local Governing Bodies are responsible for:

- Agreeing and approving annual PE and Sport Premium statements;
- Ensuring the school meets its statutory responsibilities for PE and Sport funding spending, including publication on the school website.
- Refer to the scheme of delegation for supported schools as approval of PE and Sport Funding Premium spending must be given by the CEO.

Headteachers / Principals are responsible for:

- Writing annual PE and Sport Funding Statement Pupil Premium statement using suggested guidance and agreed templates;
- Reviewing the PE and Sport Funding statement for the previous academic year using agreed guidance and templates;
- Ensuring agreed strategies are effectively implemented and monitored so that they lead to the desired impact
- Publishing statutory information on the school's website;
- Producing termly updates relating to the use and impact of funding to LGB and the Trust.

Teachers and other school staff are responsible for:

- Ensuring they have an accurate understanding of their role in the implementation of the school's PE and Sport Funding strategy and any personal or pupil barriers to achievement;
- Implement the school's PE and Sport Funding strategy (as appropriate to their role).

PE and Sport Premium

School: Neasden Primary School	Pupils: 298	Funding: £18,030
Academic year or years covered by statement: 2023 - 2024	Publish date: July 2023	Review date: July 2024
Headteacher: Katy Drinkall	Subject lead: Robert Hoult	Governor lead: Ray Dixie

Priority Area	Intent	Implementation	£	Impact (Success criteria)
1	Increase the % of pupils who meet the KS2 swimming expectations at the end of 2023.	<ul style="list-style-type: none"> Identify those pupils who did not meet expectations after Y4 swimming. Top-up swimming provision procured for these pupils in Y6. 	£4000	<ul style="list-style-type: none"> Make sure that over 50% of children leaving year 6 can swim at least 25m Ensure that most year 6 children leave being able to use a range of strokes effectively.
1	Improve the engagement of all pupils in regular physical activity	<ul style="list-style-type: none"> Continue to develop pupil roles of sport leaders (council) to improve sport activity during break times. Secure training for break time staff for playground games. Purchase new playground/field markings to facilitate physical activity at break times. Replenish playground resources, informed by pupil preferences. 	£5,000	<ul style="list-style-type: none"> Pupils are actively engaged at break times. An increase in physical activity over the year, evidenced by the step counters.
2	Raise a greater awareness of the benefits of regular physical activities.	<ul style="list-style-type: none"> Identify children who could benefit from extra activity sessions, intervention groups to be set up. Develop inter-class/key stage competitions using step counters to highlight levels of activity. Awards given in whole school assemblies and shared with parents. Weekly sporting awards (purchase trophy), parents invited to assemblies. Develop display board in the hall to show available activities and celebrate successes. Regular meetings of the sports council (purchase badges) Include messages around exercise on social media and newsletters. 	£200	<ul style="list-style-type: none"> Noticeable changes in identified children, happier and healthier. Pupil voice identifies children excited about being active. Awareness at good news assemblies about benefits of being healthy.

3	Increase the confidence, knowledge and skills of all staff in teaching PE and sport.	<ul style="list-style-type: none"> Coaches from Hull FC, Tigers Trust, Flex Dance & Gymnastics to support teachers in developing their subject knowledge to be able to deliver areas of the curriculum. Staff training on the new PE curriculum and development of PE assessment against curricular goals. Staff training each term to develop a deeper understanding of elements of the PE curriculum. 	£9,000	<ul style="list-style-type: none"> PE provision is at least good in all classes. Outcome of staff CPD audit show an increase in confidence, knowledge and skills for all teaching staff.
4	Offer all pupils a broader experience of a range of sports and activities.	<ul style="list-style-type: none"> Sports week used to introduce different sports provided by coaches. After school sports clubs run by Tigers Trust and Hull FC. (costed above) Ensure that inclusion sports are included in after-school provision and competitions. 	£5,300	<ul style="list-style-type: none"> At least 1 after school sports club provision 2 nights a week. Inclusive sports offered termly resulting in increased access to clubs for targeted children.
5	Increase participation in competitive sport.	<ul style="list-style-type: none"> Hull Active Schools subscription to include attendance at competitive events covering a range of sports. Pupils identified in PE lessons and after school clubs are selected to participate in competitive sports. Provide transport to and from tournaments as required. Teachers use PE assessments to target specific pupils for after school clubs and competitions. 	£2,500	<ul style="list-style-type: none"> 100% children in Y1-6 have the opportunity to take part in intra-school competition. 100% KS2 children to have the opportunity to take part in inter-school competition.

Review of PE and Sport Premium 2022 - 2023

Key achievements to date until July 2023

- Bringing in experienced coaches from various sports disciplines can provide valuable insights and hands-on expertise that can enhance the teaching methods and techniques used in PE classes. These coaches can offer fresh perspectives and innovative approaches, inspiring the staff to explore new ideas and strategies. Alongside this, investing in regular CPD sessions tailored to PE and sports education ensures that staff stay up-to-date with the latest trends, research, and best practices in the field. This combination of external expertise and ongoing professional development empowers the staff to deliver high-quality PE lessons, foster a positive learning environment, and ultimately, nurture the students' passion for physical activity and sports.
- The new playground equipment adds variety and excitement to break times, encouraging children to participate in fun physical activities during their free time. Meanwhile, the extended PE lessons offer ample opportunities for students to explore different sports and physical activities, fostering a positive attitude towards exercise and teamwork. By providing a stimulating environment and dedicating ample time to physical education, we can instil a lifelong love for movement and help our pupils develop essential motor skills, social interactions, and overall well-being.
- Introducing new football kits and hoodies not only boosts team spirit but also instils a sense of pride and belonging among students. These branded uniforms create a strong visual identity for sports teams, increasing their visibility and encouraging more participation. Additionally, organizing a sports week that incorporates exciting activities like golf and trampolining brings fresh experiences to students, exposing them to a diverse range of sports and promoting inclusivity. This not only helps identify hidden talents but also instils a passion for trying new activities and staying physically active beyond the event. By investing in such initiatives, the school showcases its commitment to promoting health, fitness, and teamwork, creating a dynamic and supportive environment that benefits the entire school community.
- By offering diverse sporting opportunities, schools enable students to explore and discover their individual interests and talents beyond the usual popular sports. From traditional team sports like football, basketball, and cricket to lesser-known activities such as archery, rock climbing, and martial arts, the varied options cater to different preferences and abilities. This inclusivity encourages every student to participate,

Areas for further improvement and evidence to support this

- Evaluating the impact of the new PE curriculum (utilising Get Set 4 PE) across the school.
- Utilise PE assessments to signpost pupils to sporting opportunities beyond the curriculum.
- To continue to support the CPD needs of all staff teaching the PE curriculum, particularly ECTs/those in new year groups – Bring in PE specialists to work alongside staff in lessons, also organise CPD twilight sessions (one at least each term)
- Further develop our provision of the swimming curriculum to ensure an increase in end of KS2 expectations. – Make sure that all children who have not met the expectations in Year 4, have the opportunity for additional sessions.
- Support pupil and staff mental wellbeing through physical activity, including the use of Tigers Trust pastoral sessions, yoga and lunchtime clubs.
- Continue to involve parents in understanding importance of an active, healthy lifestyle via newsletters, social media and parental involvement activities.
- Increase activity at break and lunch times by training staff on implementing and managing organised games and activities. Training for dinner staff & playground leaders– Hull Active schools

<p>fostering a sense of belonging and teamwork. Moreover, exposing pupils to a wide array of sports promotes physical fitness, mental agility, and overall well-being, preparing them for a lifetime of active living and a deeper appreciation for the joy of sportsmanship.</p> <ul style="list-style-type: none"> • With the inception of the girls' football team, we witnessed a surge in interest, fostering a sense of unity and determination among the players. Throughout the year, our school has triumphed in various football tournaments, leaving an indelible mark on the sporting landscape. The victories and camaraderie have inspired more students to embrace competitive sports, fostering a culture of excellence and sportsmanship that continues to flourish within our school community. School achieved the silver award in the hull school games award. 	
Meeting National Curriculum requirements for swimming and water safety – current Year 6 pupils	
% of current Year 6 cohort who swim competently, confidently and proficiently over a distance of at least 25m	89%
% of current Year 6 cohort who can use a range of strokes effectively (eg front crawl, backstroke, and breaststroke).	64%
% of current Year 6 cohort who perform safe self-rescue in different water based situations	36%
School used Primary PE and Sport Premium to provide additional swimming over and above national curriculum requirements.	No – Due to no catch up in Year 6 due to COVID
