September 2024

Dear Families,

Welcome back! We hope you have had a fantastic Summer holidays and you are all ready for the term ahead of us.

Year 5

In the Autumn Term, Year 5 will be completing work based around our new and exciting books 'Beowulf' and 'Tom's Midnight Garden'. In our writing lessons, we are going to begin by creating our own story maps so we can orally rehearse our model text. After this, we will look at the poem 'The Awfulest of Friends' by Brian Patten to improve our knowledge of ambitious vocabulary and rhyme. We will then use this in our own conquering the monster tales about a main character who has to overcome a monster. Within our book club lessons, the children will continue to read a variety of texts, which include fiction, non-fiction, poetry and play scripts. We will look at a different text each week and we will practise our comprehension of these texts by focusing on how to answer inference and PEE questions using evidence from the text to support our answers. In maths, the children will start by focusing on place value and then will move onto looking at addition and subtraction. The children will compare and order numbers to 100,000 and will then practise rounding numbers to the nearest 10, 100 and 1000. They will then move onto adding and subtracting numbers with more than 4-digits using the column method – exchanging when needed. In art, the children will begin by exploring Leonardo da Vinci and his artwork so they can gain an understanding of how he creates motion within his sketches. At the end of the unit, the children will then use their drawing skills and a range of tones to show different muscles and structures to form their own full body portrait. To start our geography lessons, we will look at South America and explore its features such as mountains, rivers and rain forests.

Year 5 have a fun filled term ahead of them filled with opportunities to take part in engaging lessons and this continues into their extracurricular activities as they will also have the opportunity to go to London in the Autumn term! We can't for the children to visit the Houses of Parliament and then transfer this knowledge into their history unit where they will look at law and order.

PE/Run with It

Instead of doing PE in the Autumn term, the Year 5 children will be taking part in, "The Run with It" enrichment project each Thursday afternoon in Beverley. More information will follow about this.

Named clothing, sandshoes and lockers

As the children are in Year 5, they are responsible for looking after their own possessions and clothing. Please ensure you write your child's name into all items as it makes it easier to return any lost items.

The children are still expected to change into sandshoes when they come into the classroom so they will need their own pair labelled with their name. The children still have their own locker to keep their shoes and other belongings in.

Homework

Times tables: Learning times tables is very important as it helps with every aspect of maths and as your child is in Year 5 they will take part in SATs in Year 6 next year which include a wide range of multiplication questions. Therefore, practising times tables at home would benefit your child hugely. Your child needs to practise their times tables TT Rockstars each week. Logins for this have already been given to your child but if you ever need a new copy please ask.

**Humber Education Trust is an exempt charity regulated by the Secretary of State for Education.
It is a company limited by guarantee registered in England and Wales (company number 08682547),
whose registered office is at c/o Bude Park Primary, Cookbury Close, Bransholme, HU7 4EY**

Adelaide Primary, Broadacre Primary, Christopher Pickering Primary, Clifton Primary, Frederick Holmes School, Ganton School, Maybury Primary, Neasden Primary, Parkstone Primary, St Nicholas Primary, Tweendykes School and Woodland Primary

Reading: Children should be reading at home at least three times a week. Reading books will be checked and changed every Friday to ensure that children are practising their reading. If your child does not read three times a week at home, they will be catching up with this during their Friday break time. Alternatively, if your child does read at least three times a week then they will receive a reward each half term.

Timetable

	Lesson 1		Lesson 2	Lesson 3		Lesson 4	Lesson 5
Monday	Maths	Intervention s/Handwriting Practise	Book Club	Writing	Spelling	Science	
Tuesday	Maths	Intervention s/Handwriting Practise	Book Club	Writing	Spelling	Topic Lessons	
Wednesday	Maths	Intervention s/Handwriting Practise	Book Club	Writing	Spelling	Topic Lessons	
Thursday	Maths	Intervention s/Handwriting Practise	Book Club	Writing	Spelling	Run with it	
Friday	Maths	Intervention s/Handwriting Practise	Book Club	Writing	Spelling	Topic Lessons	

Many thanks,

Miss Goucher and Mrs Burdick
