### Foundation Stage and KS1 Christmas Performances

Dear Families,

Plans are well underway in school for the Christmas productions. This year, the children in Foundation Stage (Nursery & Reception) are performing 'This is my gift' and Years 1 and 2 (KS1) are performing 'A little bird told me'.

The plays will be performed twice in the hall for yourselves. Each family will be able to have 2 spaces at each of the performances. If you have children in both Foundation Stage and KS1, you will be able to get 2 spaces at all of the performances.

The performances are:

Foundation Stage This is my gift	2:30, Thursday 12 <sup>th</sup> December 9:30, Friday 13 <sup>th</sup> December
KS1 A little bird told me	9:30, Thursday 12 <sup>th</sup> December 2:15, Friday 13 <sup>th</sup> December

There is no need to let us know which performances you will be attending as we will check off audience members as they arrive. Unfortunately, we will not be able to allow more than 2 family members to each performance as this would put us over our safe numbers in the hall.

Please note that pushchairs and prams will not be allowed into the hall as they restrict the walkways and block access routes. Please be sensitive to other parents and wherever possible, leave younger siblings at home. Noises in the hall can be very distracting to the children, so if you do bring younger children and they become restless, please take them out of the performance.

Kind regards,

Mrs Drinkall
